

Raffle

Fundraiser for

Republican Central Committee of Talbot County

A single winner will receive a matched pair of special edition Remington 1100 “Premiere Sporting” autoloader shotguns. These shotguns are unlike any others in the world. They are both engraved with a patriotic theme designed specifically for this event. The stocks have been laser-engraved with an American Eagle in flight under “We the People,” and “With Liberty and Justice for All” underneath. They have gold triggers and gold embellishments on nickel-plated receivers. This pair of one 12-gauge and one 20-gauge makes a great his-hers or parent-child or grandparent-grandchild gift set. They are valued at over \$3,500. The drawing will be at the annual Lincoln-Reagan Event in October 2012.

Tickets are \$5 each or a book of 12 for \$50.

If you have any questions or would like to buy tickets, contact us at www.talbotgop.org or e-mail Jennifer Gomez at jennifer.gomez@talbotgop.org.
